

Get in the Game with Style & Comfort!

MEET THE ALL NEW BATTLE AXE ERGONOMIC RACING STYLE GAMING CHAIRS

These ergonomic racing style gaming chairs offer the comfort and features you need for long term gaming sessions! The high back design promotes full upper and lower back support and provides full-range of motion. With a full 360° of swivel and 150° of tilt, the

built-in tension lever located underneath the seat gives gamers full control of their seating position and mobility. Conforming seat cushions, neck and lumbar supports, and padded armrests combine to keep the most serious players in the game!
