Clean up your installs!

Construct Pro's CATV Splitter offers a high quality splitter with a mountable bracket attached for convenience and versatility. Its gold plated zinc alloy housing offers excellent corrosion protection and grounding. If necessary, you can easily mount the splitter to a wall or a truss. Just remove the small tabs from the frame, place where you need it, and screw it in. Be sure to consider the routing of your wires in order to place the module in the best and most efficient manner.
