

ROY1245

1U Power Strip with Six Outlets

MSRP:

\$129.99

Clean up your installs!

Nearly all Rack installs require power integration, but sometimes all you require is simple power distribution and not power conditioning...Royal has engineered an economical solution for this common scenario. Our New 6 Outlet surge strip is the ideal choice for branching out power to multiple pieces of equipment.

Features

- Black, powder-coated steel
- Dimensions: 17.25in W x 1.75iin D x 1.75in H
- (4) standard installation screws
- 110v
- 1U

Condensed

This strip has a flush mount face and does not protrude out from the rack. Plus, it only takes up 1U of rack space leaving you tons of room for dedicated equipment.

6ft Power Cord

We've equipped this strip with a 6ft power cord which should be more than enough length for you to make a solid connection.

Warranty Information

This product carries a LIMITED LIFETIME WARRANTY on both parts and labor. Should your component fail to operate properly at any time during the warranty period, the manufacturer will repair or replace (at our option) the item barring any indication of misuse or abuse. Freight to an authorized facility is paid by the customer. Return freight is paid by the manufacturer. Warranty registration occurred automatically at the time your order was placed. There is no need to complete or mail in additional paperwork. If you have any questions about the operation or installation of this product, please call our distributor, Skywalker Communications at (800) 844-9555 or (636) 272-8025. Skywalker Communications hours of operation are from 8am to 5pm, Central Standard Time.
