- 1U
- Durable, scratch-resistant black matte powder-coated finish
- Qty: 1
- Gross Weight: 0.6 lbs
- Dimensions: 1.75in h x 19in w x 0.47in d

Be Quick, Clean, Professional

Our Royal Rack Decora Panel's make for a simple and super clean installation. This Panel is an excellent option for mounting Volume Controls, Audio Video Outlets, Decora Plate Straps, and Digital Keypads into any standard 19" Rack...but we think it looks best in the Royal Racks of course!

Be Proactive

Sometimes you don't have the luxury to assemble the Rack on the job...well these panels can be mounted into the front or back of your rack which allows you to pre-assemble your rack, transport it to the installation site and simply plug-n-play from your equipment to the wall. Also, having the ability to quickly connect and disconnect your components will make servicing or adding equipment to your rack a breeze.

All the nuts and bolts!

This panel comes with easy to install wire nuts to lock in your hardware; plus we provide the 4 standard screws necessary to install it into the rack. Simple, Fast, Inexpensive...easy as that.

Warranty Information

This product carries a LIMITED LIFETIME WARRANTY on both parts and labor. Should your component fail to operate properly at any time during the warranty period, the manufacturer will repair or replace (at our option) the item barring any indication of misuse or abuse. Freight to an authorized facility is paid by the customer. Return freight is paid by the manufacturer. Warranty registration occurred automatically at the time your order was placed. There is no need to complete or mail in additional paperwork. If you have any questions about the operation or installation of this product, please call our distributor, Skywalker Communications at (800) 844-9555 or (636) 272-8025. Skywalker Communications hours of operation are from 8am to 5pm, Central Standard Time.
