

ROY1260

1U 19" Brush Plate

Clean up your installs!

For the cleanest cable entry method within a rack enclosure, use our New Roy1260 1U Brush Panel. Its simple, sleek look blends seamlessly with any of our Royal Racks™. Similar to a blank plate, this piece offers a discrete and finished look to any custom cabinet

There's a cord for that...
With its brush front face, you'll find that running AV Cables from iPods® and other audio devices within your rack is a breeze!

Airflow

When it comes to Audio Video Cabinets, keeping your equipment cool is essential. Our wire brush material provides a solid black look while providing superb airflow.

Professional Look

True A/V Professionals know you can't leave open gaps between equipment on the front side of your rack...So, clean it up with these wire brush plates.

Powder Coated Finish

Like all of our Royal Products, these brush plates have a scratch-resistant black powder coat finish.

Warranty Information

This product carries a LIMITED LIFETIME WARRANTY on both parts and labor. Should your component fail to operate properly at any time during the warranty period, the manufacturer will repair or replace (at our option) the item barring any indication of misuse or abuse. Freight to an authorized facility is paid by the customer. Return freight is paid by the manufacturer. Warranty registration occurred automatically at the time your order was placed. There is no need to complete or mail in additional paperwork. If you have any questions about the operation or installation of this product, please call our distributor, Skywalker Communications at (800) 844-9555 or (636) 272-8025. Skywalker Communications hours of operation are from 8am to 5pm, Central Standard Time.
