

SAG7065

**6.5in In-Wall Speakers,
(Pair)**

Experience The Sound!

One pair, SAG7065 Saga Elite Series 6.5in Two-Way In-Wall Speakers. These speakers feature a 25mm swivel dome tweeter, Kevlar woven cone woofer, and 60 watts of power. High performance speakers fashioned for the art of music and quality sound. The Engineers at Saga understand that the purpose of their products isn't just for you to hear the sound...they're designed for you to experience it! With that same understanding, they wanted to create speakers that could reproduce a more lively and spacious sound than one would expect to hear from a typical in-wall speaker; and that's what you'll find with the Elite Series.
