

Labor Saving Devices Warranty Information:

Skywalker will assist with LSD warranty claims within 30 days of purchase by our customer. Beyond 30 days the defect and subsequent RMA process must be handled directly with the vendor. See warranty and contact info below.

Warranty Policy

Labor Saving Devices Inc. ("LSDI") warrants that products purchased from LSDI shall be free from defects in materials and workmanship for one year from the date of purchase from LSDI when used under normal use specified within the written operating specifications and directions provided with the product, provided that:

- **The above warranty shall not apply to any such product or part thereof which is damaged as a result of neglect, abuse, misuse, alteration, accident, or misapplication**
- **The exclusive remedies under the above warranty shall be limited to the repair or replacement of the nonconforming product or part(s) thereof, as determined by LSDI;**
- **Any non-conforming product subject to a warranty claim must be returned to LSDI for verification of warranty coverage in accordance with the return policy and procedure provided below. If the non-conforming product is part of a kit and is not available from LSDI as a stand-alone product, the entire contents of the kit must be returned (i.e., assemblies or kits must be returned complete).**

Process for obtaining RMA

All returns require a Return Authorization (RA) number issued by LSDI. To obtain an RA number, contact LSDI customer service at 800-648-4714 and provide information on the product, the reason for the return and the original purchase date. To return the product, carefully package the product in the original shipping packaging or equivalent and clearly mark the package near the shipping address with the RA number obtained from LSDI. Please include a name, return address and a phone number where we can contact you. We recommend all product warranty returns be shipped insured with a tracking number with an appropriate shipper. Ship the package insured and prepaid, to address above.
