Warranty Policy

Nite Ize warrants that following purchase, each Nite Ize Product will be free from defects in materials and workmanship under normal use for the reasonable lifetime of the Product. The reasonable lifetime of each Product varies, but in no event will Nite Ize deem any Product's reasonable life to be less than two (2) years. Nite Ize is not responsible for any damage or failure resulting from any abuse, misuse, accident, or negligent act or omission by you or by any third party, or for acts of nature. Nite Ize shall, at its sole and exclusive discretion, replace any Product returned to Nite Ize not meeting Nite Ize's "Limited Warranty". This represents consumers' sole warranty remedy. The Nite Ize warranty does not cover the replacement or cost of any electronic device or personal property used in conjunction with a Nite Ize Product, any damages or defects in accessories or components not manufactured by Nite Ize, or against damages resulting from such non-Nite Ize made products or components. Nite Ize passes on to Buyer the warranty it received (if any) from the maker thereof for such non-Nite Ize made products or components.
